

Appln. No.: 10/849,250
312 Amendment dated May 21, 2008
Reply to Notice of Allowance of April 1, 2008

REMARKS

Applicants have amended claim 47 to be in independent form and include the features of canceled claim 36, which was canceled in the last Amendment. Claim 47 without the instant amendment will depend from a canceled claim. The failure to amend claim 47 as above in the last Amendment was an oversight, and was not realized by the Office when issuing the Notice of Allowance. Applicants submit that the instant amendment is non-substantive and respectfully request entry of the same.

CONCLUSION

With Applicants' payment of the Issue Fee and Publication Fee filed concurrently herewith, it is believed that all formalities have now been attended to in the present application and that the application is now in condition for grant.

It is believed that no fee is required for entry of this Amendment under 37 C.F.R. § 1.312. If any fees are required or if an overpayment is made, the Commissioner is authorized to debit or credit our Deposit Account No. 19-0733, accordingly.

Respectfully submitted,
BANNER & WITCOFF, LTD.
